

General and Emergency Veterinary Medicine and Surgery

Our staff is friendly, courteous, competent, and understands the value of animal health and well-being.

We perform our work as though we are working on our own livestock or pets.

Appointment, Walk-ins welcome!

What Our Clients are Saying

"Dr. Fullbright is laser-focused when diagnosing a problem with one of our dogs or cats. Their client education, clear instructions and support make it easy to comply with the treatment plan." —Leslie, Small Animal Client

"Their Christmas "Memory Tree" honoring patients that died during the year is a testament to their compassion and caring." —Julie, Small Animal Client

Fees:

We make every effort to keep our fees fair and reasonable. We will be happy to discuss our fees with you before we perform any services, and give you an estimate prior to treatment.

Payment is expected at the completion of services. Cash, checks with ID, Visa, MasterCard, Discover and debit cards accepted.

After Hours:

If you have an emergency, we can be reached at 918-244-0269 during office hours, and after office hours at 918-244-6708.

Drop Offs:

We realize that finding time in a busy schedule for pet care can be difficult. Therefore, we offer the convenience of pet drop-offs as early as 8:00 am the morning of services, or even the night before. Contact us to find out how you can take advantage of this service.
